One of the greatest limitations in our world of philanthropy is the lack of understanding that there is, within each person, a yearning to be part of something larger than ourselves. Recognizing that need and meeting it is the reward of our ministry for humankind.

TDLC Golf for Miracles Day

Left to Right:

Dr. Paul Eisner, TDLC Golf for Miracles Day; Dr. Steve Goren, ODA President; Dr. Bernard Dolansky, DCF President and Chairman; Richard Munro, DCF Executive Director.

On August 25, 2004, the inaugural TDLC Golf for Miracles Day, benefiting the Dentistry Canada Fund, was held at the Royal Ontario Golf Club in Milton, Ontario. The event was a tremendous success with generous corporate support and a sold-out field of 144 golfers participating in the shot-gun format.

The DCF charity was thrilled to receive net proceeds in excess of \$ 45,000, which are being allocated to the newly established DCF-ODA Fund, the DCF Humanitarian Fund and a new DCF-TDLC Paul Eisner Fund. The DCF charity extends its heartfelt gratitude to Dr. Paul Eisner for his inspirational leadership in developing his vision for this event. We also wish to express our humble thanks to his co-chairs Jim Blair, Gary Jones, Normand Lacroix, Wayne LeBeau, Jo-anne O'Connor-Webber, Eva Young, as well as Dave Cornell, and Sandy Aldebert who lead the efforts of the 41 special individuals serving on the volunteer organizing committee, and all of the 72 very generous sponsors/donors who contributed to the outstanding result.

THANK YOU
